Questions in Medicine

Postgraduate Medical Journal
The Journal of Continuing Medical Education

Volume 73 No. 860

June 1997

Available from June 1997, Self assessment Questions in Medicine, is a special Issue of Postgraduate Medical Journal published by BMJ Publishing Group.

Edited by Charles Hind (an examiner for MRCP exams), this issue is devoted entirely to self-assessment questions (and answers) in medicine. These will allow undergraduates and postgraduates to test their developing knowledge, particularly when working towards their exams.

It will also help senior doctors keep up to date with recent developments as part of their continuing medical education. Inside this issue readers will find 31 key questions which will test the full range of essential knowledge.
