

The logo for the journal 'Clinical Molecular Pathology' (JMP) is displayed in a stylized, textured font. The letters 'JMP' are large and bold, with a grainy, almost pixelated appearance. The background of the logo is black, and the letters are white with some grey shading to give them a three-dimensional effect.

---

# CLINICAL MOLECULAR PATHOLOGY

## Leader

---

M113 Ki67: from antibody to molecule to understanding? *W Ross, P A Hall*

## Hypothesis

---

M118 Does junk DNA regulate gene expression in humans? *M A Hultén, M Stacey, S J Armstrong*

## Papers

---

- M124 Rapid identification of mycobacteria from AIDS patients by capillary electrophoretic profiling of amplified SOD gene *T J Bull, D C Shanson, L C Archard*
- M133 Comparison of random amplified polymorphic DNA with restriction fragment length polymorphism as epidemiological typing methods for *Mycobacterium tuberculosis* *C J Linton, A D Smart, J P Leeming, H Jalal, A Telenti, T Bodmer, et al*
- M136 Selection of peptide ligands for the antimucin core antibody C595 using phage display technology: definition of candidate epitopes for a cancer vaccine *P Laing, P Tighe, E Kwiatkowski, J Milligan, M Price, H Sewell*
- M142 Non-invasive detection of bladder cancer by identification of abnormal CD44 proteins in exfoliated cancer cells in urine *M Sugiyama, A Woodman, T Sugino, S Crowley, K Ho, J Smith, et al*
- M148 Circulating human IgG autoanti-IgE antibodies in asthma patients block the binding of IgE to its high affinity receptor *S J Smith, A Galvin, I Hall, F Shakib*
- M153 Insulin-like growth factor II prevents apoptosis in a human teratoma derived cell line *M Granerus, P Bierke, W Zumkeller, J Smith, W Engström, P N Schofield*
- M158 In situ visualisation of immunoglobulin genes in normal and malignant lymphoid cells *C Carvalho, M Telhada, M do Carmo-Fonseca, L Parreira*

## Short report

---

- M165 Leukaemic mantle cell lymphoma with t(11;14) and trisomy 12 showing clinical features of stage A0 B cell chronic lymphocytic leukaemia *J R Neilson, M Cai, N Bienz, M J Leyland*
